Attainment of the Programme Outcome Report

Department of commerce is trying its best to offer quality education to the downtrodden students of Konkan area. Through the teaching of the program of B.Com., the effort is made to enhance the communication skills, managerial skills, entrepreneurial skills, numerical ability, critical ability and commercial sense among the students. Through the teaching of the program of M.Com, an effort is made to enrich knowledge with new ideas and techniques essential for business and management, inculcate mastery over specific skills in business, enhance capability to acquire and handle any position in business, develop analytical, interpretative and presentation skill regarding research in commerce and management and also to create awareness about the recent trends in commerce and management.

At the end of the programme, there is always attainment of the outcome. Generally we can see that various skills are imbibed among the students. Through the various efforts department always tries to improve the performance of the students in the examination. The department has slow and advance learners programme, ICT based teaching learning and also personal counseling to solve their academic, cocarricular, extracurricular and stress related problems of the students. Through the attainment of the programme, students can cope up with the demands of various competitive sectors. In this way, we have achieved perfection in the personality development of the learners. The results of the department have been improved through the use of combination of variety of teaching learning methods. By using enhanced skills and knowledge, our students are working competently in primary, secondary and tertiary sector.
