DEPARTMENT OF HISTORY

Attainment of the Programme Outcome

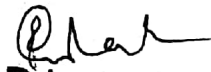

In the Department of History, innovative method of teaching learning is used to enhance the historical knowledge and understanding of the students. Under the program BA History, Students are studied in Ancient, Medieval and Modern India, important events in world history, and social reforms in India and Maharashtra etc.

After completing BA History, Students received information about India's independence and political, social, economic and cultural transitions in Ancient, Medieval and Modern Indian history. It has been create an appropriate understanding of the post-independence era of India. Students were acquired knowledge of archaeological disciplines. Also students got information about the syllabus included in various types of competitive examinations.
