Department Of Political Science

Attainment of the Programme Outcome

Department of Political Science is trying its best to offer Quality education to the downtrodden students of Konkan area. Through the teaching of the program of BA an effort is made to enhance the political and social awareness, civic skills, , ability of the democratic values among the students.

At the end of the programme there is always attainment of the outcome generally we can see that constitutional values imbibed among the students. Through the various efforts department always tries to improve the performance of the students in the examination for that, we use slow and advance learners programme ICT based teaching learning, personal counseling to solve their problems and stress of the students. Through the attainment of the programme students can cope up with the demands of various competitive sectors. In this way we have achieved perfection in the personality development of the learners. The results of the department have been improved through the teaching learning methods.
