Analysis of Feedback sought (Criterion I: Curricular Aspects)

The feedback forms are filled at the end of the course and later they are analysed for further actions to be taken if any. Based on the feedback on curriculum obtained from concerned stakeholders, the teachers and heads of the departments have communicated to BOS for necessary improvements/modifications/ restructuring in the syllabi. The college also take feedback from regular students and alumni, parents, industrialists with respect to changes in the syllabi. Informal discussions are held regularly with students, alumni and parents about the syllabi.

The feedback committee and IQAC designs feedback form structure. The Parent-Teacher Association and Alumni Association of the college jointly organized parent, alumni and teachers' meet. Through the different meets held every year we get concrete inputs on current trends in the curriculum need. Based on this information, different suggestions and modifications were suggested in the respective programs to modify and/or design. The employers give feedback on areas that need to be exemplified and emphasized. The feedback is considered to make necessary changes for improving learning and understanding of concepts by the students.
