Subject: UGC Award of Teacher Fellowship under Faculty Improvement Programme during XII Plan Period.

Sir/ Madam,

Please refer to your letter No. 3144 dated 22.05.14 on the above subject. On the basis of the recommendations of the Selection Committee, this is to convey the approval of the UGC for award of Teacher Fellowship during the XII th Plan period to the following teachers.

Sr. No	Name of the Teacher	Age in years	Subject	M. Phil / Ph.D.	Duration
1	Mr. Karhale S. S.	34	Chemistry	Ph.D	Two Years
2					
3					
4					
5					

You are requested to send the Joining Report of the Teacher Fellow (s) mentioned above in the format given in the Faculty Improvement Programme guidelines of the XII Plan so that necessary funds for the purpose can be released.

If a substitute is appointed against the vacancy of the teacher fellow, the salary of the substitute will be admissible if a fresh appointment is made by the college in accordance with the prescribed procedure on the minimum of the pay scale prescribed for a lecturer. The post vacated by the Teacher Fellow should not be filled by transfer, deputation or by a superannuated person.

Before availing the Teacher Fellowship (s) under the Faculty Improvement Programme, it may be noted that;

- 1. The college is advised to appoint a substitute teacher at the earliest in place of the teacher fellow.**
- 2. If a teacher fails to complete his / her Ph.D. / M. Phil. programme or leaves it midway, he / she has to refund the entire grant paid to him/her towards contingency and TA.**
- 3. Salary of substitute teacher is also recoverable from the Teacher Fellowship awardees if the teacher fails to complete M. Phil / Ph. D.**

All communication should be addressed to the Joint Secretary by designation and not by name

Brief Report

'आंबेडकरवाद व साठोत्तरी मराठी साहित्य'

मराठी साहित्यामध्ये साधारणपणे 1960 पासून दलित साहित्याचा प्रवाह निर्माण झाला दलित साहित्य हे बहुजनाचे साहित्य आहे. जे अत्याचारित, पिडीत आहेत. ज्यांनी पिढ्यान् पिढ्या अन्याय दुःख यातना भोगल्या आहेत. तसेच दलित साहित्य हे परिवर्तनाची आशा बाळगते. माणसाने माणसाशी माणसासारखे वागावे त्याला माणूस म्हणून जगू द्यावे. हीच जाणीव समाजमनाला दलित साहित्य करून देते. दलित साहित्याचा मानवतावाद हा प्राण आहे. वेदना, विद्रोह, नकार ही त्रिसुत्री आहे. दलित साहित्य हे सामाजिक बांधिलकीतून जन्माला आले. दलित साहित्याला सम्यक परिवर्तन हवे. दलितांच्या दुःखाचा, जीवनाचा दस्तऐवज म्हणजे दलित साहित्य होय.

दलित साहित्याची प्रेरणा ही डॉ.बाबासाहेब आंबेडकर, म.फुले, संत घोखामेळा, बुध्द, कबीर, किसन फागुजी बनसोडे यांच्या सारख्या महात्म्यांनी दलित समाजासाठी मोलाचे कार्य केले. आपल्या साहित्याच्या माध्यमातून अन्याय, अत्याचार, वेदना, व्यथा यावर टिका केली. शिका संघटित व्हा आणि संघर्ष करा. असा महान संदेश दिला. म.फुले यांनी दलितांसाठी पिण्याचा पाण्याचा हौद रिकामा करून दिला. म.फुले यांचे समग्र साहित्य हे दलित साहित्यासाठी पोषक ठरली. संत घोखामेळा यांनी आपल्या अभंगामधून आपल्यावर होणा-या अन्यायाची वाचा फोडली.

दलित साहित्यामध्ये अन्यायाची घिड आहे. आक्रोश, व्यथा, वेदना आहेत. म्हणून माणसांशी कसा क्रूरपणे वागत आला या भारतीय संस्कृतीने दलित जनास कसे हालहाल करून सोडले यांचे चित्रण आहे. अपमान, अन्याय याचे चित्रण दलित साहित्य करते. भारतीय संस्कृती, अनिष्ट प्रथा, जातीभेद यावर दलित साहित्य भाष्य करते.

दलित साहित्याचे वेगळेपण सांगताना कवितांची निर्मिती जास्त प्रमाणात झाली. दलित कविता निर्भिड आणि परखड आहे. नामदेव ढसाळ, यशवंत मनोहर, केशव मैश्राम हे दलित कवी आहेत. स्त्रीवर अन्याय होत असल्याची वाचा हिसा बनसोडे, ज्योती लाजेवार, प्रज्ञा लोखंडे यांनी केली. लोकभाषा, म्हणी, वाक्यप्रचार प्रतिमा इ. मुळे दलित कवितेचे वेगळेपण दिसते. दलित कादंबरीचा विचार करता अण्णाभाऊ साठे हे दलित साहित्यातील पहिले कादंबरीकार होत. त्यांच्या नंतर शंकरराव खरात यांनी दिर्घकाळ मोठ्या प्रमाणात कादंबरी लेखन केले.

दलित साहित्याने 1960 नंतर मराठी साहित्य सारस्वत समृद्ध केले. दलित साहित्य परिवर्तनवादी आहे. दलित साहित्य आधुनिक सुधारणावादाचा पुरस्कार करते. समता, शांती, विश्वबंधुत्व, न्याय ह्या विचारांचा पुरस्कार करते. दलित साहित्याने अन्याय, अत्याचार, गुलामगिरी, भेदाभेद, वर्णवर्चस्व यांवर कडकडून टीका केली. पिडीत, शोषित, अन्यायग्रस्त श्रमिक कष्टक-यांचे वर्षानुवर्षे लादलेल्या गुलामगिरीचे चित्रण आहे.

दलित साहित्याचा नायक सामान्य माणूस आहे. दलित साहित्यातील कथा, कादंबरी, कविता, आत्मकथन, नाटक इ साहित्य प्रकाराचा अभ्यास करताना आंबेडकर विचारांचे पाठबळ असणे आवश्यक ठरते मुंबई विद्यापीठाने पदवी मराठी अभ्यासक्रमात दलित साहित्य प्रवाहाचे ज्ञान प्राप्त करून देणा-या अभ्यासक्रमाची योजना केली आहे. विद्यार्थ्यांबाबतच्या कर्तव्य व उद्दिष्टांची पूर्ती करण्याच्या प्रयत्नातून आम्ही हे एकदिवसीय राज्यस्तरीय चर्चासत्र घेतले आहे.

Seminar on "Environment Management & Biodiversity Conservation: A Report

REPORT OF
NATIONAL SEMINAR
ON
ENVIRONMENT MANAGEMENT & BIODIVERSITY CONSERVATION

January 17-18, 2014

*At The Abasaheb Marathe Arts & New Commerce, Science College,
Rajapur, Ratnagiri District*

Organized By:

Department of Botany, Zoology and Chemistry

Supported By:

University Grants Commission, New Delhi

**SEMINAR ON
"ENVIRONMENT MANAGEMENT & BIODIVERSITY CONSERVATION"**

January 17-18, 2014

At The Abasaheb Marathe College, Rajapur

REPORT

SUMMARY

A seminar on Environment Management & Biodiversity Conservation organized by department of Botany, Zoology and Chemistry of Abasaheb Marathe College from 17th -18th of January, 2014 was held at Rajapur, District Ratnagiri (Maharashtra). The seminar invited papers on the mentioned theme from interested participants of various organizations belonging to any part of the country. The seminar also included college presentations from Maharashtra, Goa, Karnataka, Madhya Pradesh and Gujarat. There was an active participation, particularly from local academicians and students of Maharashtra.

The two day seminar included paper presentations, discussions, suggestions & recommendations. The seminar was an attempt to bring out the significance of environment and their management, biodiversity and their conservation and mitigate the effects of environment issues by Green Chemistry.

INTRODUCTION

Abasaheb Marathe College organized the seminar on Environment Management & Biodiversity Conservation with the sole objective of spreading awareness and motivating people especially youth to help save our environment. The seminar highlighted the significance of these issues whose relevance in today's

Seminar on "Environment Management & Biodiversity Conservation: A Report

world is highly substantial. The link between environmental changes and biodiversity loss has long been established. Although throughout Earth's history the environment has always changed with ecosystems and it takes huge burden on every species, due to this species coming and going. Rapid environment change affects ecosystems and those species could not able to adapt and so biodiversity loss increases. Environment change is projected to affect all aspects of biodiversity. Changes in biodiversity at ecosystem and landscape scale, in response to environment change and the greediness of human being on natural resources would further affect on global and regional biodiversity. From a human perspective, the rapid environment change accelerating biodiversity loss risks human security. It can bring about a major change in the food chain upon which we depend, water sources may change, recede or disappear, medicines and other resources we rely on may be harder to obtain. There is a dire need to conserve water bodies and our rare species which are already on the verge of extinction. The impact of environment change needs to be tackled effectively and conducting such seminars could be a primary step towards attaining this goal.

ISSUES COVERED

The seminar focused on two broad and seven sub-categories related to environment namely:-

- ENVIRONMENT MANAGEMENT
- BIODIVERSITY CONSERVATION
 - ❖ Environmental Issues & Pollution
 - ❖ Environmental Policies, Act's and Regulations
 - ❖ Sustainable Development
 - ❖ Natural Resources and their management

Seminar on "Environment Management & Biodiversity Conservation: A Report

- ❖ Climate Change Impact on Natural Resources and Biodiversity
- ❖ Environmentally Benign Chemistry: Green Chemistry
- ❖ Biodiversity and its conservation

As 2010 is being celebrated as the International Year of Biodiversity, it is our responsibility to reduce the current rate of biodiversity loss at the global, regional and national level. Biodiversity losses has serious economic and social costs for any country. The poor countries will be worst affected as the interdependence between men and environment in these societies is very significant and any imbalance in the ecosystem may shock the very survival of these people. The international community has recognized biodiversity's important role in supporting human life, which led to the 1992 founding of the Convention on Biological Diversity, a legally binding global treaty.

PROCEEDINGS OF THE SEMINAR

DAY 1: JANUARY 17, 2014

The two-day Seminar started with the registration. After the registration, the session began with inaugural addressed by Dr. T. G. Jagtap and Shridharrao Rane. The inaugural address included the relevance of issues related to environment and their increasing threats. In an era of rapid industrialization and urbanization men has conveniently ignored the element of environment. Marine ecosystem is mostly affected by human interference. Both the dignitaries brought forward the significance of holding such Seminars as they fulfill

Seminar on "Environment Management & Biodiversity Conservation: A Report

the primary aim of sensitizing individuals and encouraging their participation.

It was followed by the key note address of Dr. T. G. Jagtap on "Ecologically sensitive marine ecosystems from tropical and subtropical regions. It was followed by plenary session of the participant's oral paper presentation. In the afternoon the second plenary session was started with the invited talk by Dr. Varad Giri on "Study on the ecology and natural history

of some endemic Amphibians and Reptiles of the Northern Western Ghats". It was followed by participant's oral paper presentation. Dr. Santosh Kamble, Convenor of EMABC-14 was open

the ideas behind organizing this seminar and also discusses the objectives of environment management and biodiversity conservation theme. Extending a warm welcome to the participants, Principal Dr. D. D. Kurlapkar thanked them for sparing their valuable time and commitment to strengthen such vital issues of environmental concerns.

DAY 2: JANUARY 18, 2014

This day was commenced with installation of participant's poster Paper

Presentations. The session however begins with invited talk by Smt. (Dr.) Niranjana Chavan's presentation on Mangrove Ecosystem. She briefed the participants about the present status and conservation measures for mangrove ecosystem of west cost of India. She discussed the activities and field investigations done on the above mentioned issue by

students Kolhapur school. It was followed by participant's oral paper presentations.

The last session is reserved for green chemistry. Dr. Sandip Sankpal was made attention on uses of green chemistry in the present situation for protection environment. It was again followed by participant's oral paper presentations.

The presentation was very resourceful and inspiring especially for the students, researchers and teachers present in the Seminar.

CONCLUDING REMARKS

Dr. Shendage, organizing secretary, while concluding said that the issues discussed at the Seminar were of global concern and do not deserve to be neglected. He emphasized on people's participation towards attaining a common goal of conserving the environment. Biodiversity and wetlands form two pillars of our environment and any disturbance caused leads to harmful outcomes. Climate change which is a byproduct of this disturbance hence needs to be tackled effectively. He on the behalf of EMABC-14 thanked all the participants for their active participation and interests concerning such a vital issue.

At the end of the seminar, ideas were exchanged by the participants and each one expressed their views and concerns of environment management and biodiversity conservation and suggested certain guidelines to be followed in general.

RECOMMENDATIONS OF RAJAPUR SEMINAR

1. Awareness should be generated about the harmful consequences of human pressure on the biodiversity.
2. Improve people's participation for conservation of nature and natural resources.
3. Engage youths in action as they are the future of our country.
4. Decision makers should be provided orientation training on the topics like environment, biodiversity and conservation of natural resources.
5. Regional, national and international co-operation should be promoted for the exchange of information on the issues related to biodiversity.
6. Problem solving and action oriented case studies on present status of biodiversity and their conservation measures, should be taken up and instructional materials on this should be prepared
7. Conducting seminars on a more regular basis as they act as a motivator in encouraging the local population.

Shendage
Organizing Secretary
(Dr. S. M. Shendage)

Brief Report of the National Conference

The Department of Geography of Abasaheb Marathe College had organized conference on "Application of Remote Sensing and GIS" dated 3rd and 4th February 2014. In this conference there are 44 Professors and 50 students from the various parts of India (Tamilnadu, Goa, and Punjab) participated. The Conference was inaugurated with the auspicious hand of Dr. R.N. Sankhua, Director, National Water Academy, Khadkwasla, Pune and also he has delivered the keynote address on "Application of remote sensing and GIS in Geography" 3rd February 2014. In the first Plenary Session Mr. Balasubramani, Assistant Professor of Bharthidashan University, Tamilnadu, has delivered lecture on "Application of Remote and GIS in Disaster Management. In the IInd Plenary Session Dr. Sanjay Gaikwad, Goa has delivered lecture on "Application of RS and GIS for Rainwater Harvesting, Assistant Professor, Dept of Geography, Goa. In the IIIrd Plenary session Dr. S.C. Thakurdesai, Ratnagiri has delivered lecture on "Remote and GIS application in Coastal Zone Management also in the IVth Plenary session Dr. Sachin Panhalkar, Kolhapur has delivered lecture on "Role of Geoinformatics in Water Resource Management.

In the Vth Plenary Session Mr. Anupreet Singh Tiwana has delivered lecture on " Remote Sensing and GIS for Agricultural Management'

In this conference we got 48 papers from the various parts of India. Out of that 30 Paper were Presented by the Participants. The quality of research paper was very good. In the second day Valedictory function was taken under chief Presence of Dr. R.B. Patil, BOS Member, University of Mumbai.

- Recommendations Report is attached.

Seminar on
"Challenges before the Agriculture in Maharashtra"

Brief Report

○ **SUMMARY:**

A seminar on Challenges Before the Agriculture in Maharashtra Organized on March 07th and 08th 2014. This seminar was held at Abasaheb Marathe College Rajapur District Ratnagiri (Maharashtra). The college invited the research papers on the mentioned theme from interested participants of various states of the country. There were an academicians and students actively participated in this seminar.

The two day seminar included paper presentation, discussions, suggestions & recommendations. The seminar was an attempt to bring out the importance of the agriculture and farmers with special reference of Maharashtra.

○ **PROLOGUE:**

Abasaheb Marathe College organized the seminar on Challenges before the Agriculture in Maharashtra with the sole objective of increase awareness and motivates the Research students and farmers to develop the Agriculture. The seminar highlighted the significance of issues whose relevance in today's India is highly substantial. Although throughout Indian history the Agriculture has always changed with the developing history the Agriculture has always changed with the developing period. The seminar has focused mainly on challenges before agriculture of Maharashtra. In all sessions the researchers focused on the problems through their presentations.

○ **ISSUS COVERED:**

The seminar focused on 10 sub-categories related to Challenges before the Agriculture namely:-

1. Policies of State and Central Government with respect to agriculture development.
2. Sugar cane production, management, status and measures.
3. Modern Agriculture Technology.
4. Agriculture Water Management.
5. Organic Farming need of new world.
6. Contract farming
7. Dry Land Management and Dry Farming.
8. Agriculture Research Institutes and there in Agriculture.
9. Production and Development.
10. Working of Agriculture Market Committee (AMC) and farmers Suicides.

○ **Day 1: March 7, 2014:**

The two-day Seminar started with the registration. After the registration, the session began with inaugural address by Dr. Dr. H. V. Sankpal and Dr. S. M. Bhosle. The inaugural address mainly focused on the issues related to Agricultural Productivity and Land Development. The requirement for increasing agricultural production the soil quality should be maintained, but Indian farmer ignored the soil and water conservation.

It was followed by the key note address of Dr. P. Y. Patil on "Sustainable Agriculture Development in Maharashtra". Through this lecture he has given present status of agriculture development in Maharashtra. He also focused on the strategies adopted by Government of

○ **RECOMMENDATION OF THE SEMINAR**

1. Ultra-modernize and encourage agricultural research institutes, and make research useful for farmers.
2. Land Should be develop without any pollination. And increase use of Bio-fertilizers.
3. To Increase Qualitative Agricultural product Research should enhanced and encouraged.
4. Co-operative and horticulture products and systems must be developed in rural area.
5. Food and fruit processing industry should be developed in remote area.
6. There should be Government Control network of Agriculture market Committee all over India.
7. Develop the grading and packaging system for reducing the cost of the Agricultural Product.

**National Seminar on
"Revised Accreditation Framework of NAAC"
21st December, 2017**

**Organized by
INTERNAL QUALITY ASSURANCE CELL (IQAC)**

SUMMARY

A one day National level seminar on "Revised Accreditation Framework of NAAC" was organized on 21st December, 2017 by Internal Quality Assurance Cell (IQAC) of Abasaheb Marathe Arts & New Commerce, Science College, Rajapur. In its existence of over two decades, National Assessment and Accreditation Council (NAAC) has continuously strived to improve its methodology. Taking cognizance of changing trends in higher education and aligning the reforms and rapidly transforming global education scenario, NAAC has embarked in revising the Assessment and Accreditation (A&A) methodology.

Chief Guest Dr. N. S. Dharmadhikari has conducted session on each criterion. He delivered a talk on New Accreditation Methodology adopted by NAAC in 3rd Cycle. Total 28 participants were participated in the same. The seminar was fruitful for the participants for their IQAC preparation and visit of peer team.

**One Day National Workshop on
 Biodiversity Conservation and Sustainable Development**

(5th January, 2018)

Abasaheb Marathe Arts and New Commerce, Science College, Rajapur, Ratnagiri organized One Day National Workshop on "Biodiversity Conservation and Sustainable Development: An Inspirational Programme for Students & Teachers" on 5th January, 2018. Prof. (Dr.) S. R. Yadav (Emeritus Scientist, Department of Botany, Shivaji University, Kolhapur) was the chief guest of "One Day National Workshop". He delivered guest talk on Biodiversity Conservation and Sustainable Development and guided to all faculty (Arts, Commerce & Science) students and teachers of our college and adjoining colleges.

Total 242 participant (201 students & 41 teachers) attended this workshop.

One Day National Seminar on
Management of Fruit Processing Industry in India
Tuesday, 30th January 2018**

Report of the National Seminar

One Day National Seminar on **Management of Fruit Processing Industry in India** was organized by **Department of Commerce** in collaboration with **Internal Quality Assurance Cell (IQAC)** of the college on **Tuesday, 30th January 2018**. In total, **140 participants** participated in the field of national seminar. **26 participants** have contributed their research papers for the seminar proceeding. Teacher participants as well as the student participants actively participated in the national seminar.

Fruit processing industry is the sunrise industry in India. In India, we find diverse variety of fruits. By processing the value of fruit is augmented as well as can be preserved for more time. In today world, there is ample demand for different processed fruit products all over the world. By using new innovative processing technology we can increase percentage of fruits proceeds and reduce wastage as well as provide quality processed fruits to the world and earn invaluable foreign exchange.

Harish Rogye, resource person said that the fruit processing industry has the prospects of changing the economy of the entire konkan region. **Prof. Arun Marathe**, resource person from **Parvari, Goa**, in his guidance, said that it is important to develop linkages between farm and industry to help agricultural development through creation of backward linkages, adding value to farmer's products and increasing their income. This may be possible with the application of new technologies, which are most cost-efficient.

The paper presentation session was arranged. **Dr. Suvarna Deuskar** from **Lanja College, Lanja** worked as the chairman for the session. Many participants presented their research papers about the theme of the seminar. Selected papers were published in the ISBN proceeding.

Valuable guidance of our Principal **Dr. Tapase A.B.** and continuous support from all the members of **Organizing Committee** and **Members of College Development Committee** resulted in successful organisation of the seminar. **Principal Dr. Tapase A.B.** was **Convener**, **Dr. Bhave A.V** worked as **Co-ordinator**, **Prof. Mengal S.G.** worked as **Organizing Secretary** whereas **Prof. P.N. Pawar** and **Prof. Solkar N.A.R.** worked as the **treasurer** for the seminar.
