Department of English

A Certificate Course in Spoken English (Short Term Course 2021-22)

A Report on Language and Communication Skills

Date: 22nd Oct 2021

As a language with global usage English in today's world has become the lingua franca of the international community from education to job opportunities knowledge of English has become a key criterion to determine suitable candidates. And hence in order to face the changing scenario in globalization, students should be equipped with all kinds of communication skills in English. The department of English decided to run a short term course for the students of the college to develop the linguistic competency of English language among the students. The certificate course in spoken English is a basic level certification course in the area of application and usage of English.

Duration of the course 16th August 2021 to 15th Oct 2021

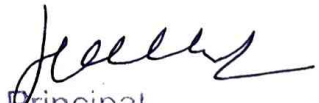

Examination Type: Final Exam at the End of Course

Eligibility 10-2 pass out students with a minimum of 50% at the respective level from recognized board/university

Admission process on XII std. Marks

The 10 students were admitted in the course. The classes were conducted as per the time table. The final examination was held on 15 October 2021. The result was prepared and declared after 5 days of the examination. All the faculty members of the department helped in framing syllabus and conducting classes

Usage of Modern Technology & ICT

Year – 2021-2022

Sr.No	Description	Percentage	Points	Self Evaluation Points
6	Usage of Modern Technology 1) (Audio, Video, Internet, DHP, LCD Screen, CDs, Inverters / Generator, CCTV, LAN etc) making it available for usage	i) All equipments are available	5	5
		ii) 50% available	2	
		iii) Less than 50%	0	
	2) Usage of Information Communication Technology	i) ICT usage in academics	5	5
ii) No usage of ICT	0			

ICT in academics is practised in teaching learning process owing to the pandemic condition. It is used extensively in this pandemic period, due to restrictions on movements of people. Faculty members have taken lectures on several online platforms like Zoom, Google Meet and mobile based learning applications. Administrative departments and Library also use ICT for their day to day activities. College authority has provided the facility of computer lab, LCD screen and other facility in enhancing online teaching learning process through usage of ppt, images in online teaching. Computers, laptops and printers have been provided to several departments for enhancing teaching learning process. College has a generator to negate constant electric failures which may hamper proper functioning of administrative and other departments. Internet are provided to administrative and exam departments for smooth functioning of online work. CCTV cameras are placed at important locations to monitor proper functioning and maintain discipline in college premises. Recorded videos are also uploaded by faculties in the Knowledge Bank page available on the College Website. College has also purchased lecture stand and other modern teaching aid to support the teaching learning process.

College Library subscribes to Inlibnet Nlist E-Resources for the faculty and students fraternity. Usage of e-resources in the teaching learning is practiced by the faculty to enhance teaching learning process.
