- To help the students for the job training and placement of jobs wherever possible

### **Selection of different thrust area, workout of the thrust area, performance and outcome.**

1. "Socioeconomic upliftment of Reserved Category Students through Quality Education"  
Rayat Shikshan Sanstha's Abasaheb Marathe Arts & New Commerce, Science College, Rajapur Dist. Ratnagiri (Maharashtra) is one of the prime educational institutions affiliated to Mumbai University, Mumbai. It is run by Rayat Shikshan Sanstha, Satara, presumably the largest educational institution in Asia, founded by the visionary Late Padmabhushan Dr. Karmaveer Bhaurao Patil. The vision, priority and thrust area of the college are in tune with the objectives of the National Policy on Higher Education 1986, as modified in 1992. To provide quality education to all classes of the society. It has been functioning for the progress of rural masses of the locality since its establishment in 1994.
2. Our parent institute Rayat Shikshan Sanstha, Satara has an inscription "Self Help is our Motto". Following this motto all the institutes run by our Santha has this guideline in its functioning. This motto is the distinctiveness of our institute as well. This idea has been borrowed by many institutes including the government as this is initiated by Dr, Karmveer Bhaurao Patil, founder of The Rayat Shikshan Sanstha hundred years back that is in the year 1919. As, majority of our students are from the peasant's class, lack of economical support education results into the discontinuation of their education. To overcome this common our college allow students to pay their fee starting from 500/- rupees only and pay remaing fee in installments. Students also provide opportunities to work in the institute itself in various capacities. Students are allotted the work as per their capacity. Our staff went to various nearby villages to counsel 12<sup>th</sup> pass out students to take higher education in our institution.
3. Different committees are constituted and letters regarding the appointment of the faculties are circulated. Students are motivated to participate in the sports and the cultural activities. The college also takes pride in its excellent performance in Cultural and Sports events at zonal and university and inter university levels is our motto. Our college offers fee concessions to the needy students.
4. In the year of 2021-2022 out staff offer incentive by providing financial support to Miss. Purva Bakalkar (M. Com II) student for her quality performance in Tennis ball cricket championship held at Nepal.

5. The college conducted activities on universal values, human values, environmental protection, professional ethics, important days like birth and death anniversary of personalities of national and international importance, days of national importance, etc. are observed. To provide updated knowledge of students-teachers geared up their contribution by creating digital lectures arranged guest lectures of prominent personalities and academic experts.
6. This year Department of chemistry organized National Workshop in association with Royal Society of Chemistry dated on 23<sup>rd</sup>, 24<sup>th</sup> March 2022.
7. A congenial and positive atmosphere in the college has helped the teachers too to inculcate research culture among themselves and students. Teacher have published their research work in Scopus indexed journals, ISSN journals, UGC care listed journals and conference publications. To make teaching learning effective the institution has rich library, projectors, internet etc.
8. The other supportive facilities on the campus are developed to contribute curricular, extracurricular and administrative activities. The ICT facilities are available in the institution for academic and administrative purposes. Our priority is to promote the scientific temper. The institution has mechanism for academic and administrative auditing. At the beginning of the academic session of the year different committees are constituted and letters regarding the appointment of the faculties are circulated.
9. The students from different villages such as Jaitapur, Nanar, Pachal, Ambelkarwadi, Ambolgad, Ansure, Taral, Kumbhawade etc. are enrolled in college each year. The students have been benefited from the quality education provided by the college and attended the good job in academic, social, political, cultural, sports, etc. The college provides Scholarships, Freeships. Financial Assistance to backward class students.
10. College has been striving hard to fulfill its vision statement. It has offered professional and skill-oriented education through its short-term courses this year institute has 11 short-term courses run by various departments such as

List of the short term courses run by the institution:

- Basic uses in English language
- Short term course in Human Rights
- Certificate Course in Insurance

- Certificate Course in Archaeology
  - News Writing
  - Certificate Course in Travels and Tourism
  - Media Writing and Art of Translation
  - Biodiversity Conservation
  - Internet Banking
  - GST
  - Soil and Water analysis
11. Besides, various departments conduct student-centric methods for active involvement of the students in the teaching-learning process.
  12. Our next plan is to establish English language laboratory to provides linguistic training for language learning.
  13. As our students are quite rural, they require much mentoring in academic and stress related issues. Hence college runs 'Mentor-Mentee Scheme'. It is not only college authorities but also our teachers personally give financial assistance to poor and needy students.
  14. Divyangjan-friendly atmosphere has been created by providing required facilities to empower them.
