ALUMNI CONTRIBUTION DURING THE YEAR

Abasaheb Marathe Arts and New Commerce, Science College, Rajapur has over 5000 alumni spread across the country and the division of alumni association engaged in developing a strong and active network of these cherished former students. The college graduates have achieved success in divers fields and held positions of responsibilities and influence as distinguished corporate leaders, pioneering entrepreneurs, eminent academicians, and inspirational leaders. The division seeks to foster lifelong intellectual and emotional bonding between the institute and its alumni and to provide the current students at the institute an opportunity to connect with the alumni across the globe. This division also facilities a common platform for professional networking and business career development and sustained learning opportunities. The focus of the division is to offer a platform for the alumni to connect with their Alma matter and contribute to enhancing the legacy of the college. The alumni support other initiatives of the students such as training orientation for placements, students projects and festivals. They also engage in observation of overall development of the college and provide necessary building materials, counseling for agricultural development
